### *Our Message From Judy Hensley...*

May *KINDNESS* be your word each day,  
 God's grace your *HOPE* renew...  
 And when your plans seem failing  
 let Him guide you thru.  
 May you glimpse *MIRACLES* when  
 all seems gone astray,  
 Your *TRUST* in Him grow stronger  
 in the plan He's made.  
 May you be peaceful and  
 no longer fearful...  
 With a hug, a word, a prayer  
 show your *LOVE*,  
 And be assured God loves you.

Happy New Year 2018. I wish you health and happiness. God bless.
