Our Message from Peggy Hensley ...

June is a time of new beginnings – the official start of summer, high school and college graduations, and weddings. It’s also the month in which we honor our fathers on June 17th with Father’s Day. It’s a special time to remember the blessings our fathers bring to our lives. I love the quote by Jim Valvano: “My father gave me the greatest gift anyone could give another person, he believed in me.” How many times in our lives have we been encouraged to keep trying because of the love and support of our fathers? So let’s celebrate Father’s Day on June 17th and every other day also!
