### *Our Message from Judy Hensley ...*

*Just the idea of Spring gives the month of April hope. We look forward to the trees turning green, flowers blooming in beautiful colors, and warmer days. Our spirit is renewed with the awe of the changing season. This April we celebrate Easter and how AWESOME is the Easter story...that God would send His Son, Jesus, to die for each of us and cover our sins with His blood. We can conceive of no greater love! The wonder that He AROSE, how can we not have HOPE? Think of the old saying, "Bloom where you are planted." Are you sharing this wonderful gift with others? Does your life reflect the joy and hope that Easter gives? Often the day-to-day have-to's and need-to's cause us to miss our chances. We all have something to share...a smile, a*

*kind word, a good deed, encouragement, and the great message of Easter.  
This Spring, take the  
opportunity to surround yourself with beautiful blooms that others can see.*
