Our May message from Peggy Hensley:

“For lo, the winter is past, the rain is over and gone. The flowers appear on the earth; the time of the singing of birds has come, and the voice of the turtledove is heard in our land”. These words from the Song of Solomon speak eloquently of the wonders of spring. It is a season of rebirth and a time to open the windows of our soul and let fresh breezes cleanse our spiritual life. The beauty that surrounds us is a constant reminder of the presence of a loving and all powerful God.
