Our Message From Andrea Lawson...

Thankfulness is a prominent Bible theme. [First Thessalonians 5:16-18](#) says, "Be joyful always; pray continually; give thanks in all circumstances, for this is God's will for you in Christ Jesus." Did you catch that? Give thanks in *all* circumstances. I do not give thanks in all circumstances. I want things my way and when things don't go the way I think they should I whine and complain. There is no way that I give thanks. Yet the Bible gives us a clear instruction. I am not thankful when I get behind a slow driver on the Hilton Road or pick the wrong checkout line at the store. I am always thankful for the obvious.... Good parents, a good husband, good church, good friends, a nice warm home, food on demand. It's the other things that we struggle to find joy and a heart of thankfulness. If we pray about our joyfulness and the circumstances we are in, we may in fact find a way to be thankful. Do I think it will happen instantly? NO way.... Do I think that making myself aware will make me thankful....I can only HOPE and pray that I approach all things with Thankfulness.... Even when it is not what would naturally occur with me and my life. As we approach Thanksgiving.... Let us be Thankful.... In ALL things.
